

Primus, The Last Superpower Aka Rapscallion

I got blood in my gas tank
Bones in my steel
I eat California condor
For my Thanksgiving meal
I'm the last superpower
I'm the son of a loaded gun
I'm Rapscallion

When I was young and shiny boy
I tried to dig my way to China
I met the Rapscallion
En route from South Carolina

Then he told me I don't like
I don't like you

He said I'm searching for a colored man
I said what colors have you seen?
He said I seen 'em black and brown and red
But, but, but the one I seek is green

Then he told me I don't like
I don't like you
I'm Rapscallion
