(319)  
'Bout time, come in  
Ow!  
(319)

Take off your clothes  
319  
Bet U got a body, by God  
Come on, let me see  
U oughta

My camera's gonna get U when U get it good and wet  
U oughta let me come and pet U so it lasts, baby  
319

Can I see it, baby? (Mmm) Ow!

I got a good shot, put your leg on the chair (Like that?)  
U know U're 2 hot when U play with your hair (Ha ha ha)  
I like it

I just wanna holler, scream, and shout  
When U let your fingers do the walkin' in and out and all about  
319

Ah hoochie, don't do that  
U.. U.. U make me wanna dance!

Now watch this

Lock the door and kill the phone  
My camera, U and me alone  
Will make a picture all will see and go  
"Ow, 319"

Oh baby, how'd U get your legs 2 do that?  
Ooh shit

(319) [repeat in BG]  
319  
U're just 2 mean  
319  
Yeah, yeah, go on girl

Ain't gotta tell U cuz U already know  
Girl, U in the house so keep runnin' that show  
Go on girl  
Yeah

Come here  
Have U ever kissed another woman on the dance floor?  
Come here, where U goin'?  
Come here
