

Prince, Broken

Till U come back 2 me
There'll be nothing left 2 say, no

Broken
My heart is broken, yeah
Broken, oh baby
My heart's just broken in 2
Until U bring your sweet love, bring it on home 2 me
I'll be your broken-hearted man alone in misery

Broken, Lord
My heart is broken, Lord
Broken, yeah
My heart's just broken in 2
If U think that I'll beg 4 your sweet love, bring it on home 2 me
I'll be your broken-hearted man alone in misery

Lonely
I'm so lonely
Lonely
I don't know what do 2
Until U bring your sweet pussy, bring it on home 2 me
I'll be your broken-hearted man alone in misery

Cryin'
I'm just a-cryin'
I'm just a-cryin', baby, all night
I don't know what 2 do
Until U bring your sweet honey, bring it on home 2 me
I'll be your broken-hearted man alone in misery

Oh oh, baby
Until U, baby
Until U, baby, Lord
Until U, baby
Until U bring your sweet love, bring it on home 2 me
I'll be your broken-hearted man alone
I'll be your broken-hearted man alone
I'll be your broken-hearted man alone in misery

Cymbals!

Until U bring your sweet love, bring it on home 2 me
I'll be your broken-hearted man alone, baby
Broken-hearted man alone, baby
Broken-hearted man alone in misery
