

Prince, Christopher Tracy's Parade

Everyone come behold Christopher Tracy's Parade
The show will proceed, unless it should rain strawberry lemonade
Hopefully, that will not occur; the man above has been paid
Give what you can, all you can stand, and all of your life will be made

Everyone should come and dig Christopher Tracy's piano
The chord strikes, the devil no like, so he runs 2 his evil car

Everyone come behold Christopher Tracy's Parade
Goodness will guide us if love is inside us
