

Prince, Feel U Up

{B-side of Partyman}

I've been diggin' U 4 such a long time

U don't even know that I'm alive

Something 'bout the way U walk just really blows my mind

Sorry but I'm sick of all this jive

Ok?

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

Something 'bout your body baby really get me hot

I'm sweating girl and it's all because of U

I don't want your credit cards or anything U got

Feel U up is all I wanna do

What do U say?

Let me touch your body baby

Let me feel U up

come on baby, come on

Let me feel U up

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

I ain't looking 4 a 1 night stand

I only wanna feel U up

I don't really wanna be your man

I only wanna feel U up

Physical attraction babe

It's what it's all about

Hot and cold reaction

Feel U up

Turn U out

Come on baby, come on

Let me feel U up

Come on baby, come on

Let me feel U up

What's the verdict? I don't like suspense

How can U resist my burning touch?

Something 'bout the way U walk just really blows my mind

I never wanted anything so much

Ok?

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

I've been diggin' on U (4 such a long time)

I've been diggin' on U (I've been diggin' on U)

(I've been diggin' on U)

Let me touch your body baby

Let me feel U up

Come on baby, come on

Let me feel U up

I ain't looking 4 a 1 night stand

I only wanna feel U up
