

# Prince, Glam slam

This thing we got - it's alive!  
It seems 2 transcend the physical  
One touch and I'm satisfied  
Must be a dream it's so magical

CHORUS:

Glam Slam - thank U, ma'am  
U really make my day  
Glam Slam - thank U, ma'am  
I pray U'll always stay  
I know I hold U 2 tight (2 tight)  
But I just can't seem 2 get close enough (I want 2 hold U)  
Want 2 hold U every night (Wanna hold U every night)  
I'm so horny and U're the stuff

CHORUS

Heavy feather, flicka nipple  
Baby scram, water ripple  
(I don't understand) It means I love U  
Come a butterfly straight on your skin  
U go 4 me and I come again  
Glam Slam - thank U, ma'am  
Sun is risen, moon is gone  
Soda fizzin' on the lawn  
Come a butterfly straight on your skin  
Glam Slam  
Glam Slam - thank U, ma'am  
U really make my day - hahahaha  
This thing we got - it's alive! (Alive)  
It seems 2 transcend the physical  
One touch and I'm satisfied (Ooh, baby)  
Must be a dream it's so magical

CHORUS

Glam Slam  
U will always stay {x2}  
It's all right, it's OK
