&quot;Alright, this is a.. this is an oldie&quot; {Michael J. Fox sample}

Brick (Boom! Say it) house (Hell yes)  
She's mighty Mayte, lettin' it all hang out  
She's a brick (Boom! Think I ain't?) house (Hell yes)  
That lady's stacked, that's a fact, ain't holdin' nothin' back

The clothes I wear, my sexy ways  
Make an old man wish 4 younger days (Yeah)  
I know I'm built and know how 2 please  
Sho'nuff can knock a strong man 2 his knees

CHORUS:

She's a brick (Boom! Say it) house (Hell yes)  
She's mighty Mayte, lettin' it all hang out  
She's a brick (Boom! Think I ain't?) house (Hell yes)  
That lady's stacked, that's a fact, ain't holdin' nothin' back

I know I got everything  
That a woman needs 2 get a man (Yeah)  
How can I lose with the stuff I use?  
36-24-36, oh, what a winning hand!

CHORUS

La la la la la  
(&quot;I need U 2 tell me&quot;){Mavis Staples sample}

I'm well put 2gether, everybody knows  
But that ain't all this house of brick has got 2 show  
Every curly q I got is holdin' a thought  
Thinkin' about some of this and that's why I never get caught  
Strokin' many brothas just 2 get the bank  
&quot;Yeah, U look good keepin' gas in my tank&quot;  
And if they wanna play me like a puppet 4 the mack  
While I'm gettin' paid, y'all can step the fuck back!
