

# Prince, I'll Do Anything

I'll do anything 2 have U like me  
I'll do double 2 have your love  
I'll move mountains 2 make U happy  
Mountains, oh yes, because  
What good is a me if it ain't got a U?  
What good is dream if it don't come true?  
I'll do any, anything  
Anything I'll do, ooh  
I'll fall off the Eiffel Tower if only 4 applause  
I'll wrestle with a tiger and suffer every claw  
I'll paint a beard on the Mona Lisa even though its my favorite jaw  
I'll do anything, anything because

What good is a captain if he ain't got a crew?  
What good is a room if it ain't got a view?  
I'll do any, anything  
Anything I'll do

Wait a minute

Wait a minute..  
There's a good reason why I'd do anything, baby  
And that reason is U  
Check this out..  
What good is a car if it ain't got no gas?  
What good is a future if it ain't got no past?  
What good is a one if it ain't got another one 2 make it 2?  
What good is a me, baby, if it ain't got a U?

What good is a dream if it don't come true  
And what if I live 4 your love?  
Be justa strollin' through  
I'll do any, anything  
Anything 4 U, it's true

I'll do anything, baby  
Anything 4 U

I'll do any, anything  
Anything I'll do, ooh ooh  
I'll do any, anything  
Anything I'll do, ooh ooh
