

# Prince, Letitgo

Ready or not, here I come

(Come on)

(Come on)

All my life I've kept my feelings deep inside

Never was a reason 2 let somebody know

Lover here, lover there - Who cried? Who cared? Foolish pride

Never was a good seat at any of this man's shows

Until now all I wanted 2 do is

Do do do what I do, and

Bang bang bang on the drummer

And love so-and-so

But now I've got 2 letitgo (letitgo)

Lay back and let the vibe just flow

I wanna just letitgo (letitgo)

Lay back and let my feelings show

(letitgo)

I'm ready 4 the real

Give me something I can feel

All my life this heart's been under lock and key

My curtains were drawn there wasn't nobody home

Trigger here, Trigger there - everybody's high except 4 me

Better off dead if I couldn't be alone

Until now all I wanted 2 do is

Do do do what I do, and

Bang bang bang on the drummer

And love so-and-so

But now I've got 2 letitgo (letitgo)

Lay back and let the vibe just flow

I wanna just letitgo (letitgo)

Lay back and let my feelings show

I, I'm ready 4 the real

Give me something I can feel

4teen years and tears I've longed 2 sing my song

But a horse couldn't drag your ass 2 put me on

But now I've got an army and we're three million strong

This song will ring in your ears when we are gone

Until now all I wanted 2 do is

Do do do what I do, and

Bang bang bang on the drummer

And love so-and-so

But now I want 2 letitgo (letitgo)

Lay back and let the vibe just flow

Said I want 2 letitgo (letitgo)

Lay back and let the feelings show

I am ready 4 the real (Come a little closer)

(letitgo)

(Lay back an' let the vibe just flow)
