

Prince, Movie Star

Let's see, body oil - check
Incense - check
Environmental records - double check!
I'ma get some serious drawers 2night, think I ain't?
Let's see, if I tell Gilbert and 'Rome 2 meet me 11 then I creep at
10
That'll give me an hour of free reign
Mo' drawers (Mo' drawers)

9:30 - gettin' dressed
I had a couple sips of wine
Boo! - I swear 2 God
My suit was hangin' fine
Everybody at the club freaked
When I stepped from the limousine
They said - "Ooh, it's good 2 see ya"
I said - "Oh, it's good 2 be seen
U know what I mean?"

Tell U what's good
It's a good thing we live close cuz I almost suffocated in that car
Next time I won't wear so much Paco Rabinni or whatever that
stuff...
I wonder if they got potato chips up in this...
Man, this ain't like them house parties we used 2 go 2
That's alright, I'm clean

2night, hey, I'm a movie star
I see myself on a silver screen, huh
2night, it don't matter who U are
I'm the only star on the scene
U know what I mean?

Man, I hate makin' movies
But I like that money, think I don't? Hmph

Check me out
I just walk in, don't even find a seat
Just threw my coat right on the floor
Grab somebody 4 a quick dance
Boy or girl - it don't matter no more, I'm hot!
Ha, ha, ha - shit
Mix was right
Bold, Lord

Ouch! Ha, ha
Baby, do U wanna, do U wanna get off?

2night, I'm a movie star
I see myself up on the silver screen
2night, it don't matter
I'm the star on the scene
Ouch!

Mix was right
On the 1 the kick drum hit the triple beat
Baby, I was poppin'
Did one spin, did a second, did the splits
Came up, looked around, the joint was hoppin'
Hoppin'! The joint was hoppin'!
Somebody say "Movie Star!"

So check it out, U wanna dance?

Are U wearing that Paco Rabbit or whatever U call it?

Oh wow, that's dog

What? Speak up, I can't hear over that suit

Maybe U can hear this?

Am I supposed 2 be impressed?

That's right, Rolls Royce
Check it out, baby
U wanna dance now?

Maybe next song

Yeah right, dance floor is not big enough, fat cow

Ooh, the mix, it's about the mix
Ooh baby, I like that, but the kid gonna show U a few tricks
Can I play with U?

Baby, let's creep, I had enough of this action
Bartender, on the house
Give everybody in here somethin'
Man, I don't care
I got money 2 spare, U're cute and your music's thumpin'
Yo baby, get the check

"Yo baby" my behind, I need my money

Say Brother Carothers, can I get some credit?
No? Much money I done spent in this nasty joint?
U need 2 be slapped!
Darlin', shall we leave now?
Go 2 Hades, boy!

So U like my crib?
It's not mine, it's rented
Say, how much did U have 2 drink?

What's the biggest lake U've ever been in?

So, do U like environmental records?
Crickets chirpin', water rushin'
Supposed 2 make U horny
It just make me wanna go 2 the bathroom
Actually this one's not bad, check it out
So like, what's your name?
Oh wow, that's dog!
