Prince, Muse 2 The Pharoah

If she could b Muse 2 the Pharoah Then one day she might b Queen If like Sheba, she then could bring presents/presence and wine The helix he might get between them In other words, intertwine With the ebony and milk of her thighs If she could be Muse and let him decide Perhaps she'll let him decide

If she could b Muse 2 the Pharoah, There is nothing he wouldn't give her c 4 the future of the nation rests in her belly And if the Proverbs of the 31 and verse 10 Becomes the verse she sings again and again She might b Queen

Take a load off sweetie darling/Let me run agenda thru ur hair There's so much information 4 the next generation Who's gonna drop it if u're not there? And whether the enemy makes a run on the palace

Or whether the enemy does not, The children will be laced with the protection of the word of God

The opposite of NATO is OTAN/And if the number 13 is such a bad luck number When there's no such thing as luck/Then the berries, talons, arrows and stars Are all superstitions, what the ./Get busy big baby 'cause when dem devil come Dem devil come dressed as light/Maybe they gon' fool the untrained mind But nobody eye know gon' bite/Like a thief in the night/My Lord come and strike Leave nothing but ashes to theleft, dust 2 the right Holocaust aside, many lived and died But when all truth is told/Would u rather b dead or b sold?

Sold 2 the one who can now mate the displaced bloodline with the white jailbait.

Thinkin' like the keys on Prince's piano will be just fine

So there it is- 4 all 2 c/Now what's beyond u and me Depends my friends primarily/On how u view ur role in Eternity

If she could b Muse 2 the Pharoah/One day she might b Queen
