

Prince, Nothing Compares To You

It's been seven hours and thirteen days
Since u took your love away
I go out every night and sleep all day
Since u took your love away

Since u been gone I can do whatever I want
I can see whomever I choose
Eat my dinner in a fancy restaurant
But nothing, nothing can take away these blues

Nothing compares
Nothing compares 2 u

It's been so lonely without u here
I'm like a bird without a song
Nothing can stop this lonely rain from falling
Tell me baby where did I go wrong

I could put my arms around every boy I see
But they'd only remind me of you
I went to the doctor guess what he told me
Guess what he told me
He said, Rosie, try to have fun
No matter what u do
Cause it's the blues

'Cause nothing compares
Nothing compares 2 u

All the flowers that u planted
In the back yard sugar
All died when u went away
I know that living with me baby is sometimes hard
But I'm willing to try, said I'm willing to give it another try

'Cause nothing compares
Nothing compares 2 u
