

Prince Of Persia Warrior Within Soundtrack, Straight

Theres no reason, theres no compromise
Change in seasons, living the high life
I dont know you so dont freak on me
I cant control you, youre not my destiny

Straight out of line
I cant find a reason why I should justify my ways
Straight out of line
I dont need a reason, you dont need to lie to me

Ill confess this: youre my tragedy
I laid you to rest just as fast as you turned on me
Gone forever, banished the memories
Displays of pleasure are masked by your misery

Straight out of line
I cant find a reason why I should justify my ways
Straight out of line
I dont need a reason, you dont need to lie to me
Lie to me

Straight out of line
I cant find a reason why I should justify my ways
Straight out of line
I dont need a reason, you dont need to
Dont need to lie to me
Lie to me
Lie to me
Lie to me
