## Prince, Sexuality

Stand up everybody, this is your life Let me take u to another world, let me take u tonight U don't need no money, u don't need no clothes The Second Coming, anything goes Sexuality is all u'll ever need Sexuality - let your body be free

C'mon everybody, yeah, this is your life I'm talking about a revolution we gotta organize We don't need no segregation, we don't need no race New age revelation, I think we got a case

I'm OK as long as u are here with me Sexuality is all we ever need

Reproduction of a new breed - Leaders, Stand Up, Organize Reproduction of a new breed - Leaders, Stand Up, Organize Reproduction of a new breed - Leaders, Stand Up, Organize Everybody... Reproduction of a new breed - Leaders, Stand Up, Organize

One time say... Reproduction of a new breed - Leaders, Stand Up, Organize

Reproduction of a new breed - Leaders, Stand Up, Organize Reproduction of a new breed - Leaders, Stand Up, Organize

We live in a world overrun by tourists

Tourists - 89 flowers on their back...inventors of the Accu-jack They look at life through a pocket camera... What? No flash again? They're all a bunch of double drags who teach their kids that Love is bad Half of the staff of their brain is on vacation Mama, are u listening?

We need a new breed - Leaders, Stand Up, Organize Don't let your children watch television until they know how to read Or else all they'll know how to do is cuss, fight and breed No child is bad from the beginning... they only imitate their atmosphere If they're in the company of tourists, alcohol and US history What's to be expected is 3 minus 3... absolutely nothing

Stand Up, Organize We need a new breed...Leaders, Stand Up, Organize I wanna be in the new breed, Stand up, Organize Sexuality is all I'll ever need Sexuality, I'm gonna let my body be free Sexuality, I'm gonna let my body be free Sexuality, I'm gonna let my body be free Sexuality
