

Prince, Shockadelica

Oh yeah!
Yeah!
Looka here

(The lights go out)
The lights go out, the smell of doom
Is creepin' into your lonely room
The bed's on fire, your fate is sealed
And U're so tired and the reason is Camille-mille

Shockadelica - The girl must be a witch
She got your mind, body, and soul hitched
Shockadelica - U need a second opinion, but she never wears a stitch
So U can't take her home

She got U tied with a golden rope
She won't let U play your guitar
And when U've cried enough
Maybe she'll let U up 4 a nasty ride in her shockadeli-car

She'll make U beg her ("Please girl")

Shockadelica - She got U in a trance
Cuz when this woman say dance, U dance
Shockadelica - U need a second opinion, but U just can't leave her alone
With her U got no mind of your own

Shockadelica, Shockadelica
Doo bee, doo bee, doo bee, yeah!
Shockadelica, Shockadelica
Doo bee, doo bee
Shockadelica

The lights go out, the smell of doom
Again is creepin' into your lonely room
Is this a dream or is this real? (Or is this real?)
Or is this just a mirage U feel?
Shockadelica {x2}

Shockadelica - She must be witch
She got your mind, body, and soul hitched
Shockadelica - U need a second opinion, she never wears a stitch
U can't take her home

Shockadelica - She got U in a trance
When this girl say dance, baby, baby, baby, U dance (Shockadelica)
U dance, U dance, U dance, U dance, U...

Shockadelica (She must be a witch)
Shockadelica (She got my mind, body, and soul hitched)
Doo bee, doo bee, yeah
Shockadelica (I think I need a... I think I need a second opinion)
Shockadelica (I don't know...)
Doo bee, doo bee, doo bee

The lights go out, the smell of doom
Again is creeping into your lonely room
Is this a dream or is this real?
Or is this just a mirage U feel? {repeated loop}
