Prince & The Revolution, Take Me With U

I can't disguise the pounding of my heart It beats so strong It's in your eyes, what can I say They turn me on

CHORUS:

I don't care where we go I don't care what we do I don't care pretty baby Just take me with U

Come on and touch the place in me That's calling out your name We want each other oh so much Why must we play this game?

Don't care where we go I don't care what we do I don't care pretty baby Just take me with U

I don't care if we spend the night at your mansion I don't care if we spend the night on the town All I want is 2 spend the night 2gether All I want is 2 spend the night in your arms

2 be around U is so-oh right U're sheer perfection (Thank U) Drive me crazy, drive me all night Just don't break up the connection

CHORUS {x2}

Just take me with U Won't U take me with U? Honey, take me with U
