

# Prodigy, Poison

I got the poison.  
I got the remedy.  
I got the pulsating rhythmical remedy.  
I got the poison.  
I got the remedy.  
I got the pulsating rhythmical remedy.  
I got the poison.  
I got the remedy.  
I got the pulsating rhythmical remedy.  
I got the poison.  
I got the remedy.  
I got the poison. I got the poison. I got the poison.  
Yeah... Yeah... Yeah...  
Yeah... (Boom...) Yeah... (Bah...)
