

# Prodigy, Run With The Wolves

(Run, Run, Run, Run, Run, Run, Run, Run)

What you gonna do when the hounds are calling?

What you gonna do when the hounds are calling?

You're a mug,

Thats why I had to cut you down,

You run with the wolves,

While I hunt like a hound.

You're a mug,

Thats why I had to cut you down,

You run with the wolves,

Shout it out loud.
