

Professor Green, I Need You Tonight

This ain't so stereotypical man, not for a stereotypical man, It should be me that wants to get rid of

But she's playing hard to get, brunette with such class she's hard to forget, see at first I wasn't after

She's everything I want, but all that I don't need
How can she be so hot, yet be so cold to me
How can it be so wrong, and yet it feels so right
I wish I never, but I need you tonight!

This lady is driving me crazy, she blows like I'm cold like the AC. I just can't figure her out next time
I really wanna' see you today
Alright, just give me a time and a place

She's everything I want, but all that I don't need
How can she be so hot, yet be so cold to me
How can it be so wrong, and yet it feels so right
I wish I never, but I need you tonight!

I need you, I need you
I need you, I need you
I need you, I want you, won't stop until I've got you, there's nothing that I won't do
I need you tonight

Look, I ain't never been the type to be this (nope) I ain't never been the type to be with jee, six bro's
(I need you tonight)

She's everything I want, but all that I don't need
How can she be so hot, yet be so cold to me
How can it be so wrong, and yet it feels so right
I wish I never, but I need you tonight!

I need you, I need you
I swear down
I need you, I need you
