

Profyle, I Aint The One

Girl you should know
play around with fire and you might get burned
you must be insane

Think that I'm a hoe
playin' me for easy, sleezy baby you should know
That ain't the way I roll.

Chorus:
Don't play dumb
when u know u want some
u ain't gonna get it
baby u know i ain't the one.

He was your man but he's my bestfriend
i ain't gonna hit it
baby u know i ain't the one.

I just can't understand
why u wanna go behind the back of my bestfriend
messin' around wit me
you must be insane
don't u realize the game done reckonized it's game
so face reality

Chorus (2)

get it no... get it no (repeat 4)

Bridge:
I ain't crazy (I ain't crazy babe) this is all too close
Don't try to play me (Don't try to play me like a fool) cause baby I ain't
the one
Don't play dumb, when u know u want some.
he's my bestfriend
he's your man.

Chorus (3)
