

Project Pitchfork, A Few Years Later

Hey, human child
Take a little time for me
I want to show you something
Don't be afraid
Open the gate

Take a look into my world
Take a look inside
Take a look into my world
My world is green, blue, red and white

Breathe the sweet air
Smell perfume
Look at the fairies
Don't close your eyes
Enjoy the peace

They're chasing away my chosen ones
With poison from their fields

There are places in my empire
Black, grey, foggy, foul
Which I call hell
And you call home

Hear the machines
They're moving faster
Even here you can feel the tremor

My world is dying...
