

# Project Wyze, Erica

Dear Erica,  
I would cherish you more than life itself  
No, wait (don't listen to him)  
he only cares about himself  
See I will be there through thick and thin  
In sickness and in health, from beginning to end  
You gotta decide, me or him Erica  
Tell me I'm curious  
Okay, Bobby I don't mean to cut you off but like  
are you really being serious?, cause  
The way i see it, she doesn't even like you  
She knows we're boys and that's the reason she invites you  
cause honestly, she'd rather be alone with me  
Walkin in the park after dark, livin so happily  
Okay Yas, he's a loser, and I use that term loosely  
See usually he's so broke he makes you pay for his dinner and his movie  
You no bobbys mR.Wrong but he acts like Mr.Right  
Erica he's a cop out  
A high school drop out  
Who never worked in his life  
Okay Erica, take my advice  
like how long have you known me,  
I know Yas, he's the kind of Guy who'll leave you stranded and lonely

Chorus:

Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?  
Erica please  
Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?  
Erica please

Hold up, Wait a minute, let me tell you what Yas did  
He told me he cheated on you  
That makes him an ingrateful, unfaithful bastard  
Okay, I cheated Bobby, these are the lies you tell  
Erica, ask him about Stephanie, Karen, Jen, Michelle,  
ring any bells?  
And that was just last week so go and laugh at him  
And those cute pick up lines he uses he read in the last Maxim  
yeah SCREW YOU you got the same issue  
I seen you reading them same pick up lines last week  
to that girl you were kicking it to  
See Bobby's not big on pleasin'  
but he acts like he mastered it  
I heard two-three minutes  
Let's just say he's sexually inadequate  
Yeah ask him were he was last night, has he had a chance to explain  
Go ahead ask him, what's more important to him  
you, or his basketball game  
I bet he forgot your name  
caused you pain, and let me mention  
Your better off dating that dude from Cruel Intentions  
See, I'm a man  
You aint a man your a cheatin' flirt  
When was the last time you and a girlfriend ever worked?

Chorus:

Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?

Erica please  
Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?  
Erica please  
Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?  
Erica please  
Tell me why you're leavin me  
Everytime you seein me  
Is this the way you treatin me?  
Erica choose

You, you gotta love me or leave me alone  
( 'Cause I'm so sick of this)  
You, you gotta love me or leave me alone  
( 'Cause I'm so sick of this)

(chorus begins again and the above continues, simutaneously with chorus)
