

Projet Orange, Yeah! Yeah!

Yeah yeah
Yeah yeah

Yeah yeah
You shoot the car
But I'm not in it

I know you're searching for another mistake
You shoot in, in the car
I'll love you all night
They said they'd beat you down
You think it's my fault

But hey
You say you're sorry
Gimme one more try

Yeah Yeah
Must've insulted
Shoot in the car cause you want to be a star

Yeah I'm insane, I know it
It's pretty sad to know
That you shot up my car
But you know I'm looking good-oooh let's reach out

Yeah yeah you shoot the car
And I've lost the tape
I put it were you are
Now it's the same

You say you're sorry
Gimme one more try

Yeah yeah yeah

Well I'm so sad
Must've been so bad
Must've insulted
Love me give them something all the time

Well I'm so sad
Must've been so bad
Must've insulted
Take me where you want
And then send me back
