

# Promise Of Redemption, Away We Go

And away we go,  
And away we go,  
And away we go,  
And away we go,

Holding on to broken hearts  
Memories are what's left of us  
You're trying to hard to be my friend  
And I'm placing all our pictures  
in these broken frames to remind me never fall in love again

I'm sorry wont cut it for the rest of your life  
Get over yourself and say goodbye  
I hope you realize you threw away  
The best thing that ever happened to you  
Forget my name and forget my face  
Hope you hit your head and your memory gets erased  
So I never have to deal with you again

And away we go,  
And away we go,  
And away we go,  
And away we go.

And you're falling faster than a shooting star

That you wished your own body on  
So wake up to the sound of the radio crashing through your window  
Through your window  
Through your window

I'm sorry wont cut it for the rest of your life  
Get over yourself and say goodbye  
I hope you realize you threw away  
The best thing that ever happened to you  
Forget my name and forget my face,  
Hit your head and your memory gets erased  
So I never have to deal with you again  
Again, again

And away we go  
Away we go  
Away we go  
Away we go  
We go

I'm sorry wont cut it for the rest of your life  
Get over yourself and say goodbye  
I hope you realize you threw away  
The best thing that ever happened to you  
Forget my name, forget my face,  
Hope you hit your head and your memory gets erased  
So I never have to deal with you again, again
