

# Prong, Avenue Of The Finest

Why should I devalue my position?  
Do I need to be a part of the fold?  
Don't need any sort of reason  
I'll just go out and follow my own path

Take note of this: Anyone can miss  
Take note of this: You can walk with the best  
Take note of this: Anyone can trip  
Take note of this: You can walk with the best  
Take note of this: Anyone can slip  
Take note of this: You can walk with the best  
Walking with the finest

Why should I sell myself short?  
Should I lower my ideals and standards?  
Must I settle for hand me downs?  
I deserve the best my mind can do  
I can do

Take note of this: Anyone can slip  
Take note of this: You can walk with the best  
Take note of this: Anyone can miss  
Take note of this: You can walk with the best  
Walking with the finest  
(Fuckin' hell yeah)

I think I know which road to go  
It leads up to the very top  
I don't need your sense of direction  
You can just stumble on and on

It leads up to the very top  
I don't need your sense of direction  
You can just stumble on and on

Take note of this: Anyone can miss  
Take steps to quit: Anyone can miss
