

Prong, Avenue Of The Finest

Why should I devalue my position?
Do I need to be a part of the fold?
Don't need any sort of reason
I'll just go out and follow my own path

Take note of this: Anyone can miss
Take note of this: You can walk with the best
Take note of this: Anyone can trip
Take note of this: You can walk with the best
Take note of this: Anyone can slip
Take note of this: You can walk with the best
Walking with the finest

Why should I sell myself short?
Should I lower my ideals and standards?
Must I settle for hand me downs?
I deserve the best my mind can do
I can do

Take note of this: Anyone can slip
Take note of this: You can walk with the best
Take note of this: Anyone can miss
Take note of this: You can walk with the best
Walking with the finest
(Fuckin' hell yeah)

I think I know which road to go
It leads up to the very top
I don't need your sense of direction
You can just stumble on and on

I think I know which road to go
It leads up to the very top
I don't need your sense of direction
You can just stumble on and on

Take note of this: Anyone can miss
Take steps to quit: Anyone can miss
Take note of this: You can walk with the best
Take note of this: Anyone can miss
Take note of this: You can walk with the best
Walking with the finest
