

# Prong, Denial

Staying With This Life To Lead  
Attempting No True Test  
Sticking With Some Sick Ideal  
While Others Sell Out Fast

Need A Bit Of Flagellation  
Need To Scour The Depths  
Can't Exercise Authority

Clamped Down Controlled Will  
Denial, No Discipline  
Refrainment Abstinence  
Question Convenience

Ingesting Some Corrupt Concept  
Consuming All Its Produce  
Pulling Thoughts And Conscience  
Confirming All Unnoticed  
The Fulfillment Truly Lies  
In What Must Be Suppressed  
Subjugating Passion  
Leaves Power Unprofessed
