

Prong, Persecution Tab

Exposing all the frauds,
those heroes for a cause.
They're holding some key,
confusing identities.
The lost and found
Lost in a crowd
Look what they've found
They're faking in the buck.
Purveyors of so much luck.
Upholding a true scope:
Flag waving ego.
The lost and found
Lost in a crowd
Look what they've found
The lost and found!
