

Propaghandi, Firestorm, My Ass

Heard a song and I counted out loud the two-steps, the goose-steps back. back from square one, f
Lan? would you care to expand? and I don't deny the choice, but I defy you as the voice of anything

Nquering is powered, built and backed by fear, not by fact. and having said that... meat is still murd
lized one form of oppression, now I recognize the rest. and life's too short to make another's shorter
