

Propagandi, Oka Everywhere

The best thing I ever saw on tv was that s.q. (securite quebec) cop catching a bullet with his teeth. Ut some romantic account of history. it's not about martyrs or mythos or heroes or burnings-in-effig T an oka the size of a fist in resistance and a will to fight back... and the girls at work, they still deny Is their gauge (and it defines tolerance as hate). and there's 27 million "girls-at-work" he

Es allowance for calculated gestures of insurgence (all tightly tethered to their purses/purpose). oka I, for one, support it... ...and the sm

Artest thing I think I ever said: "if a kevin kostner kavalry is your means to their end, then the
