

# Propaghandi, ... & We Thought Nation States We

&quot;publicly subsidized! privately profitable!&quot; that's the anthem of the upper-tier (the puppet  
Hese neo-colonials while our former nemesis (ah, the romance!): the nation-state, now plays fund-  
R&quot;? is this class war? yes, this is class war. and I'm just a kid- I can't believe that I gotta worry  
Regard for principle. what a stupid world. (we're): 1) born 2) hired 3) disposed! where that job lands

E about to go. you can bet that laws will be set to ensure the benefit of unrestricted labor-laws (all  
Us. can you f\*\*king believe this? what a stupid w  
Orld. f\*\*k this bullshit display of class-loyalties. the media and &quot;our&quot; leaders wrap it all u
