

Prophets of Rage, Hail to the Chief

hovering over
looking over shoulder
suspense suspect
who got next game
hanging ud by the necks
hold on us by purses and wallets
by George, he's a new Wallace
show no shame
no malice
wondering who's this new Alice
Check, check 1-2, 1-2

Alabama Indiana
They be coming around asking
who the fuck is you?
he be coming around the mountain
how the West was won
Motherfucker didn't even run
hero here he come
