

Prussian Blue, When I'm With You

You make me feel,
Like I'm in the air.
You make me feel,
Like I'm very fair.
Oh my head is spinning,
Like I'm off the ground,
Oh my head is spinning,
I'm glad its you I found.

Its up
down,
All around,
Are my feet on the ground?
My world is spinning,
When I'm with you,
When I'm with you

Oh my world falls down,
When you are not here.
But you pick it up again,
Wipe away my tears.
We can dance round and round,
Completely oblivious,
To what is going on.
What matters is us.
