

# Psyclon Nine, Payback

Raging fury built inside  
Hallowed point  
Sick suicide  
You can't see what dwells  
Within these lies  
Scripture leading to damnation  
God forbidden retribution  
Laced with hatred  
Soul destruction  
Bursting chests with each malfunction  
Curved moist flesh  
Lay on ground  
Rotten your life  
Your being now forgotten  
Slaughterd for my love  
Of bloodshed spattered body dead  
Remain dead
