Not bein funny talkin sh.. but I pop a lot

And back it up and catch a breeze in the six-drop

And if it's sunny then I get deep in the kick drum

You think I'm wack baby girl come and get some

And see yourself when Shaq get these hits from

Same source that your man wouldn't bit from

Get ready tonight

It's on baby girl I hope you can remember

(Peter Gunz)

Aiyyo I used to push the a..

Now I push the six with the bows in the back

Funny how the honeys come and pose when I'm at

In the Bronx and the shows where I'm at

You can ask the hoes in my flat

Shaq made a path I came through walkin

Now I'm pushin and got the whole cold stalkin

Feelin me knowin that I'm winning in the beginning
