

# Public Enemy, Eve Of Destruction

The eastern world, it is explodin  
Violence flarin and bullets loadin  
Youre old enough to kill, but not for votin  
And that Jordan River has bodies floatin

But you tell me  
Over and over and over again, my friend  
You dont believe  
Were on the eve of destruction

Dont you understand what Im tryin to say  
Cant you feel the fears that Im feelin today?  
If the button is pushed theres no runnin away  
Therell be no one to save with the world in a grave  
Take a look around ya boy, it's bound to scare ya boy

But you tell me  
Over and over and over again, my friend  
You dont believe  
Were on the eve of destruction

My bloods so mad, it feels like coagulatin  
Im sitting here just contemplatin  
You cant twist the truth, it knows no regulation  
And a handful of senators cant pass legislation  
And marches alone cant bring integration  
When human respect is disintegratin  
Now this whole crazy world is just too frustratin

But you tell me  
Over and over and over again, my friend  
You dont believe  
Were on the eve of destruction  
[Incomprehensible]

People I hate, that's understood  
It will make stuff hard to under  
Was feeling blooded to human race  
If you win your war it's the same old place

The poundin drums, the pride and disgrace  
You can bury your dead, but dont leave a trace  
Hate your next-door neighbor, but dont forget to say grace

But tell me  
Over and over and over again, my friend  
You dont believe  
Were on the eve of

But tell me  
Over and over and over again, my friend  
You dont believe  
Were on the eve of destruction

You dont believe  
Were on the eve of destruction  
You dont believe  
Were on the eve of destruction  
Yeah, you dont believe  
Were on the eve of destruction
