

# Public Enemy, Rebirth Of A Nation

(feat. Professor Griff)

"The Enemy the Enemy the Enemy the Enemy" [repeat in background]

[Flavor Flav (Chuck D)]

P.E., c'mon now!

Here the... here the, hear the beat go

(C'mon!) Hit me

Cold live can, cold live

(Bring the noise!) To the beat y'all

{"Turn it up!}

C'mon now! That's all?

Ah-ah-ah-aight I got it, ah-ah-alright y'all, alright y'all

[Chuck D]

We come rough with the rhythm and rhymes that pack 'em in

Bust with the rhythm that shines back once again

Still ride with releases reachin each

Still strive to revive and keep the peace

And still knowin how to crush the mo'

We still showin with the monster flows that you know

And bleed the beast that, keeps the peace back

Must defeat that, bring that beat back!

When X plays on the crossfades we rave

To make us all come together, brothers doin our thang

In this land where the plan is to blind the mind

We go wild and understand the grand design

We brought BACK what'cha missed, feel the voice resist

Black fist got us sittin on the government list (oh shit!)

From the North to the near, hear it loud and clear

There's no fear, keep the people aware with Public Enemy

"The Enemy the Enemy the Enemy the Enemy" [repeat in background]

[Chuck D] Rhyme animal

[F. Flav] C'mon Griff

[F. Flav] Hear the beat go, Terminator what?

[Chuck D] DJ lord... c'mon now!

[Chuck D] Guerilla Funk'n

[F. Flav] To the beat y'all, shakin the ground

[F. Flav] P.E.

[Chuck D] What a brother know

[Chuck D] Once again back is the incredible

[Professor Griff]

It's P.G. out the gutter to absorb the fight

Six shots, slang shots, stick cops at night

Might pass on the black ski-mask and gloves

Revolutionary love, in Allah we trust

This one's for the workers in the struggle to rise

For the brothers in the pen and the women despised

For all the people's pain from the brain control

For niggaz in the game that done lost their soul

Hope goes to the folks don't hold the max

And the ten percent blood suckin askin blacks

to pass the gat, and snatch that book off the shelf

It don't mean shit without knowlege of self

Don't trip when the real clip rip the club

Cause when the brothers get together we gon' all come up

Keep it live in your ear so it's loud and clear

There's no fear keep the people aware with Public Enemy

"The Enemy the Enemy the Enemy the Enemy" [repeat in background]
