Public Enemy, White Heaven/Black Hell

This is for the ones that do it This is for the ones that tell This is for the ones thats scared White mans heaven is a black mans hell

This is for the ones that take em This is for the ones that sell This is for the ones that OD

This is for the ones on the corner This is for the ones in the cell This is for the ones under the ground White mans heaven is a black mans hell

Black history - white lie Black athletes - white agents Black preacher - white Jesus Black drug dealer - white government Black entertainers - white lawyers Black monday - white Chistmas Black success story - white wife Black success story - white wife Black police - white judge Black business - white accoutants Black record co - white distribution Black comedians - white media Black politicians - white president Black genocide - white world order

So whatcha sayin

White man's heaven is black man's hell
