

# Puddle Of Mudd, Cloud 9

I'm sitting waiting on cloud nine  
Sitting here waiting on cloud nine  
What do I have to do man  
Tell me what is going on  
Tell me what is going  
If I remain strong I'll go to heaven where I've been  
She comes to me with open arms  
She's an angel man she's an angel  
We float away  
But she brings me back  
Did I do something bad I ask myself

Thrash, Bash, Kill myself, eat a bunch of trash  
Thrash, Bash, Get some cash and spend it on some drugs  
Explode into a million pieces so noone can find me  
I'll be on cloud nine  
Cloud nine

Going out of my mind  
Raining down on cloud nine  
Nothing I can do man  
Tell me what is going on  
Tell me what is going  
If I remain strong I'll go to heaven where I've been  
She comes to me with open arms  
She's an angel.. She's an angel  
We float away  
But she brings me back  
Did I do something bad I ask myself

Trash, bash, kill myself, eat a bunch of trash  
Trash, Bash, Get some cash and spend it on some drugs  
Explode into a million pieces so no one can find me  
I'll be on cloud nine  
Cloud Nine, Cloud nine  
Send me away to cloud nine  
Cloud Nine, Cloud nine  
Send me away to cloud nine

Call me when the sun goes down
