

Puddle Of Mudd, Prisoner

Twisting thoughts of delusions
Corrupt my mind
I can't find the conclusion
I'm running out of t-t-time

(Chorus)
I stand alone by myself
You can't take me
I stand alone by myself
You can't take me
Put away

I don't know what to feel
I don't know what to think
All I know is that it comes from here
You should know this boy don't play

(Repeat Chorus 2x)

Prisoner...
Prisoner of pain
