

# Puff Daddy, If I Should Die Tonight

feat/112 and Faith Evans

Intro: Puff Daddy

I want y'all to check out

This is a Bad Boy tribute to my man the Notorious B.I.G.  
which features myself, Faith and 112

Rest in peace B.I.G -- we miss ya

Verse One: Puff Daddy

Seems like yesterday we used to rock the show

I laced the track, you locked the flow

So far from hangin on the block for dough

Notorious they got to know that

Life ain't always what it seems to be

Words can't express what you mean to me

Even though you're gone, we still a team

Through your family, I'll fulfill your dream

In the future, can't wait to see

If you'll open up the gates for me

Reminisce some time, the night they took my friend

Try to black it out, but it plays again

When it's real, feelings hard to conceal

Can't imagine all the pain I feel

I'd give anything to hear half your breath

I know you're living you life -- after death

Chorus: Faith Evans

Every step I take, Every move I make

Every single day, every time I pray -- I'll be missing you

Thinking of the day, when you went away

What a life to take, what a bond to break -- I'll be missing you

Verse Two: Puff Daddy

It's kinda hard with you not around

Know you in heaven smiling down

Watching us while we pray for you

Every day we pray for you

Til the day we meet again

In my heart is where I'll keep you friend

Memories give me the strength I need to proceed

The strength I need to believe

My thoughts B.I.G. I just can't define

Wish i can turn back the hands of time

Us in the 6th, shopping for new clothes and kicks

You and me taking flicks, making hits

Stages they received you on

I still can't believe you're gone

I'd give anything to hear half your breath

I know your living you life -- after death

Chorus

[Faith Evans]

Somebody tell me why, one glad morning

when this life is over

I know -- I'll see your face

Outro: 112

Every night I pray, every step I take

Every move I make, every single day

(repeat 3X)

Every move I make

Chorus
