

Puff Daddy, No More Drama (Remix)

[P. Diddy]

Here we go again

Yeah, that's right

Here we go again

Ha Ha, yeah

This is the remix

Back together again

Let's go Mary

[Mary]

All the love we gave

The loving that we made

Then you went away (that's right)

So I had to pray

See a brighter day

Cause silence let us pray

Now I'm moving on to get away from all this pain

[Chorus]

I feel (I feel)

Better than I felt before (so much better)

Cause there's no more drama knocking at my door

I feel

Better than I felt before

Cause there's no more drama in my life no more

No More

No More

No More

[Diddy]

This is the remix

I like this, come'on

[Mary]

It's looking better now

A brand new love I found

I finally figured out

What love is all about

And now I'm on my way

And all I have to say

Is there'll be no crying and I truly believe that

[Chorus]

[Bridge]

It's time

To realize (people it's time)

It's up

To you and I

Love is what you make it

If you don't give up the fight

All this really means

Assuring me

Believe in all you dream

[P. Diddy]

Eh yo Mary

I don't think they ready for this one

Yo it's the D I D again, D to the weezy

Been in the game twelve years it ain't easy

Been in dem things got game that so breezy

Spendin' them things with a chain that's so freezy

Please believe me, TV need me

As far as the CD, pump that on GP

What's the 411 hun, it's PD

MJB collabo with BB

Period, no question no comma

Your hearing is no vest and no armour

Bring it to cats like Bush to Osama

Sippin on vu, make moves and no scama

Word to my mama

Can't deal with the trama
That why a nigga stay in the Bahamas
Laying in pajamas
Two sexy mamas
Bodyguards, topguns, two extra lamas
I don't want no drama
[Chorus: 2x]
No more, no more, no more
No more drama y'all
It's so hard
But I got to say
No more, I said no more, no more
No more, no more, no more
