&lt;/lyrics&gt;  
We walked together  
Violet garlands on our heads  
We played Making memories on our way back home  
And we took off

Even if it rains,  
even when alone  
I always want to wait for the sun  
Where are you going  
on the ship?  
Are you sure you're headed towards the sun?

When I bent over  
I picked up a little love that I found underneath  
Then all I hoped for

took on colors like flowers

Do you call this affection?  
Or even love?  
Don't you know that the summer is already gone?  
My heart is full  
I can't utter a word  
I just want to walk, Bathed in polka dots

Even if I overcome the night  
And become mature  
I still want to play and have fun

Chasing the clouds,  
what do you think is waiting there?  
I just want to walk on with the blue sky on my back

Do you call this affection?  
Or even love?  
Don't you know that the summer is already gone?

My heart is full  
I can't utter a word  
I just want to walk  
With polka dots all over me
