

# Puffy AmiYumi, Ain't Gonna Cut It

If I was a doctor  
You would find a way to die on me  
If I was a plumber  
Yeah I know that you would find a leak

But you will never know just what you want  
And how the hell to say it

I can try all night  
(Cause you ain't gonna cut it)  
I can win this fight  
(You're still ain't gonna cut it)  
I can Sharpen my knife  
(But it ain't gonna cut it)  
You ain't gonna cut it no more

If I was a drug dealer  
You'd wear a wire to my house  
If I was a computer  
You'd hack in and wipe me out

But you will never know just what you want  
And how the hell to say it

I can try all night  
(But you ain't gonna cut it)  
I can win this fight  
(You still ain't gonna cut it)  
I can Sharpen my knife  
(But it ain't gonna cut it)  
You ain't gonna cut it no more

You, you've made up your mind  
I'm not the greatest find  
You've made up your mind  
Oh....Yeah....

I can try all night  
(But you ain't gonna cut it)  
I can win this fight  
(You still ain't gonna cut it)  
I can Sharpen my knife  
(But it ain't gonna cut it)  
You ain't gonna cut it no more

I can try all night  
(But you ain't gonna cut it)  
I can win this fight  
(You still ain't gonna cut it)  
I can Sharpen my hook  
(But you ain't gonna cut it)  
It ain't gonna cut it  
You ain't gonna cut it no more  
Oh...Oh...Oh.....
