

# Puffy AmiYumi, Boom Boom Beat

Walking down the street  
With the boom boom beat  
Eating low-fat sweets

You all wanna see  
Us act happily  
Not reality

That's the way it goes  
No one really knows  
We still rock the shows

You all wanna see  
Us act happily  
Not reality

That's the way it goes  
No one really knows  
We still rock the shows  
&lt;/lyrics&gt;

==English==

&lt;/lyrics&gt;

I won't return until I can do my favorite things a million times  
It's boring to behave the same way as others, ok by all

Walking down the street  
With the boom boom beat  
Eating low-fat sweets

I try to be the best I can possibly be  
Weary from behaving naturally, I feel free

You all wanna see  
Us act happily  
Not reality

That's the way it goes  
No one really knows  
We still rock the shows

I was troubled, I was alone, I became uneasy, oh no  
Looking around, lining up together, I wasn't scared, oh yeah

Its better to do what you love, regrets and all  
Life is long but youth is shorter than I thought  
Everyday is Sunday

You all wanna see  
Us act happily  
Not reality

That's the way it goes  
No one really knows  
We still rock the shows
