You're pretty spoiled
For someone so moody
It may seem like you're pulling my strings
But if you treat me lightly, you'll get hurt
Just like Rio's carnival
Reach tsumo*
Chiittoi double ura-dora
Rio de Janerio, I'm gonna
Try to keep flying
Faster and faster
Hey hey hey

You pretend to be irresponsible
But surprisingly, you're actually a novice
Gratitude and inspiration
You've got it all wrong
If you worry too much about it, it's your loss
Just like Rio's carnival
Reach tsumo
lipee double ura-dora
Rio de Janerio, I'm gonna
Try to keep flying
Faster and faster
Hey hey hey

If this is just a pointless game
Then to tell you the truth, I wouldn't choose you
It's not like

I'm expecting anything
But then I lose, too
Just like Rio's carnival
I've got coffee
But not the point stick I need for reach
Rio de Janerio, I'm gonna
Try to keep flying
Faster and faster
Hey hey hey
