E-mail from the guy,
It's a heart-throbbing tale.
Girls do their nail often like beasts.
Hidden in my heart is:

"Today, I will make it."

I've lost my hesitation. Hey, now I'm on fire.
Ain't I a beauty? Oh yeah, oh yeah. All right.
New rouge revolution.
A motion to make you want to see me.
I know, in the night like this, the moon is beautiful.

Tonight's special menu.
A course dinner only for you.
No rule needed.
Fruits for adults.
Through the pink and red halation,
Come lured into me.

I've lost my hesitation. I've fallen in love intoxicated.
Ain't I a beauty? Oh yeah, oh yeah. All right.
New rouge revolution.
Super-catwalk motion.
I want to hear you say gently, "You are beautiful."

It would be rather okay.
How about leaning on you all night?
Now then, a bit of rocking motions.
Any other order?

Ah gosh, ah gosh, I knew it.
Ah gosh, ah gosh, it's hot, yeah, yeah.
Ah gosh, ah gosh, I can't stop it.
Now rowing the boat of love with you, yeah,
I'm going to cuddle you, cuddle you. So yes.

Just sweet black.

Hurt so often, I've become a bit tougher.
Ain't I a beauty? Oh yeah, oh yeah. All right.
Renaissance of temptation.
"Hey dear" says the motion of my lips.
How's this? Get excited?

Occidental decoration. Oriental revolution.
Ain't I a beauty? Oh yeah, oh yeah. All right.
New rouge revolution.
My heart twinkles instantly.
I want to stare, I want to stare at you forever.
I want to hear you say, want to hear you say,
"You are beautiful."
