

# Puffy AmiYumi, Nice Buddy

I CAN GO ANYWHERE  
IT'S SO SWEET IT MAKES ME REAL  
IF I COULD I'D EAT THE CLOUDS THAT'S HOW I FEEL

I DON'T MIND ANYMORE  
BUDDY, YOU'LL BE HERE WITH ME  
TAKE ME TO THE RAINBOW'S END  
DRIVING FREE  
JUST YOU AND ME

==English==

&lt;/lyrics&gt;  
I've grown up, I've become an adult  
And I've found a love of my own  
I can do anything, that's how I feel  
I'll hit the accelerator of my heartbeat

Now the sky is turquoise blue  
The clouds are puffy popcorn

I want to take a detour

Connecting the usual scenes  
And when I reach the beach before I know it  
It's kind of great

I wandered again, letting the wind take me  
And found my favourite place  
I want to show you this bright, sparkling sunset  
Spreading out before my eyes

Now I'm at the drive thru  
Before I know it, a pop tune starts playing

I remember on the way home  
And sing about that day  
When I reach an unfamiliar town  
For some reason I stop

I want to take a detour  
Connecting the usual scenes  
I can go anywhere  
It's so sweet it makes me real  
If I could I'd eat the clouds, that's how I feel

I don't mind anymore  
Buddy, you'll be here with me  
Take me to the rainbow's end  
Driving free  
Just you and me
