Anata no koto ga daisuki ni natta yo  
Ai ni afureta uta ga ii mitai  
Kimochi o sugu ni tsutaerareru you na  
Ano hito no you ni jouzu na katachi de  
Amaku tokesou na koto bakka  
Itteru wake ja nai  
Hontou wa chotto setsunaku odayaka ni  
Shinken na ai o utatteru  
Watashi ni wa mada muri na koto kashira  
Ano hito no uta namida de nijindeku  
Watashi no ai mo kawari wa shinai noni  
Umaku tsutaeru koto sura dekinai  
Itsumo butsubutsu fuhei bakka  
Ittecha dame yo ne  
Dare yori suteki na ko-tte hareta hi no  
Ano basho de iwareta hazu desho  
Kotoba wa tsune ni guruguru to  
Anata no tame ni mawarimasu  
Kawa ni azuketa yakusoku wa  
Umi ni nagaredeta koro deshou  
Anata no koto ga daisuki ni nattara  
Kyuu ni nandaka isogashiku natta yo  
Kimochi wa motto zutto kantan de  
Ano hito yori mo kitto fukai kara  
Amai kaori ga shita you na  
Sonna ki ga shitara  
Watashi no uta ga soko made  
Kite iru yo furimuite
