</lyrics>
I wanna go somewhere right now, anyway
Get hold of a cheap ticket somewhere
Shove some swimsuits and T-shirts into your bag
And don't forget your passport and a video

Surely, probably, now
Let's get go on vacation together
V-A-C-A-T-I-O-N
A reward for ourselves

I'm so happy and it keeps on going
I'm being spoilt

Surely, probably, now
We're only young for now
V-A-C-A-T-I-O-N
Making memories
Hey, is this good enough?

Find a resort
A love romance
A chance to meet someone

I wanna go somewhere right now, anyway
They say the beach gives you a chance to meet someone
When we hear the great electric guitar rhythms
Let's dance like we're swimming, swimming, swimming

Surely, probably, now
A suntan suits our age
V-A-C-A-T-I-O-N
Having fun on Saturday

Getting to be as lazy as this
Is a break for us

Surely, probably, now
We're only young for now
V-A-C-A-T-I-O-N
Looking for happiness
Is this enough?

Find a resort
A love romance
A chance to meet someone

Find a resort
A love romance
A chance to meet someone
